

# BUTZ FAMILY OF COMPANIES

## HISTORY

The Butz family has a long, storied tradition of completing high-quality projects in the Lehigh Valley dating back to the mid-1800s, when the family constructed covered bridges. Alvin H. Butz, Inc. was the first to pioneer the Construction Management concept in the Lehigh Valley in 1973.

In 2003, two new construction management companies, Alexander Building Construction Co. and Shoemaker Construction Co., were formed and together as The Butz Family of Companies, we provide construction management services in Pennsylvania, New Jersey, New York, Delaware and Maryland.

ALVIN H. BUTZ, INC. has been continuously owned and operated in the Lehigh Valley by the Butz family, with the 6th generation in line to preserve the tradition and reputation of the organization.
